WELCOME TO CONNECT

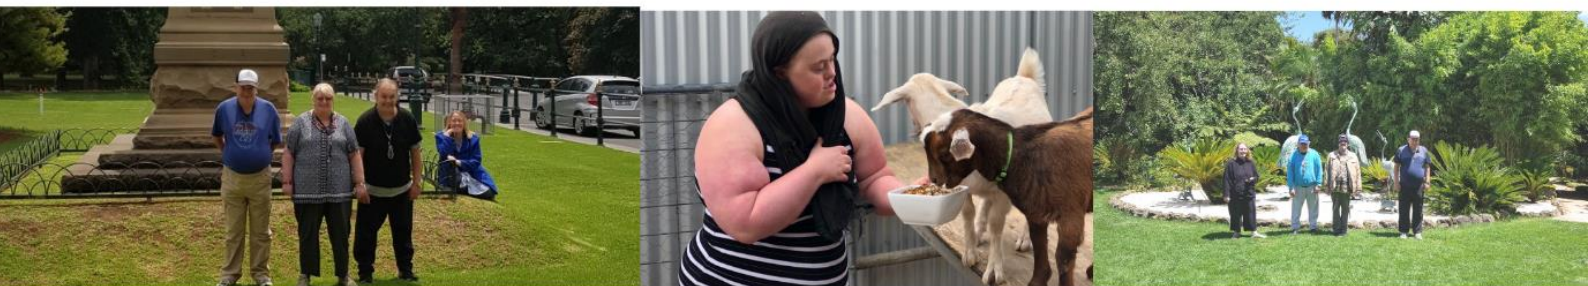

SUPPORT SERVICES AND SOLUTIONS

On behalf of the team at CONNECT Support Services and Solutions we would like to thank you for considering CONNECT to help you achieve your NDIS goals whilst living your best life possible.

Connect was established in 2019 with the aim to provide meaningful supports to participants with a disabilities in the Ballarat Region. We have created Individual and Group programs that will inspire and enrich the lives of Participants, Carers and Families.

With thoughtful planning and individualised support we can assist you with a program to assist your needs and have great fun along the way.

Please do not hesitate to contact our Team to schedule a time to sit down with you and help you design a support program to best suit your needs.
